Special washrooms for differently abled

Visual-aid Centre: - Students with moderate vision impairments or other reading disabilities can make reading more comfortable by customizing their reading environment to better meet their needs. With all Kindle reading experiences, Students/Staff can adjust the font type, size, and weight, screen brightness, margins, and line spacing, or invert the background and text colours. Students can save settings and quickly switch between reading themes. The Kindle paperwhite and the Kindle Oasis allow customers with light sensitivity to invert black and white on the display. And the large display option expands important parts of the display like the text on the home screen and library as well as the book icons to make it easier to read.

Amazon Kindles for Visual aid students

User-friendly lift for differently abled: - The elevator facilitates for easy and quick movement through the different floors of the University is provided to physically impaired students in the G block building. The facility may be availed by both staff members as well as differently abled students. The lift facility is always operated to enable safe movement of people those who are in need.
