Industrial Visit Report

Site visited – National Stock Exchange (NSE), Mumbai

Date of visit – August 1, 2019

No. of students enrolled – 32

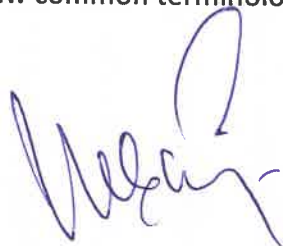

The National Stock Exchange of India Limited (NSE) is the leading stock exchange of India. School of management sciences and liberal arts of Shoolini University organised an Industrial Visit to NSE (National Stock Exchange), Mumbai, for students of BBA and B.Com (Hons.). 32 students along with 2 faculty members started their train journey from Himachal and reached Mumbai the next day.

At NSE, the students were welcomed by the assistant manager of NSE. The students learnt about the history of Indian stock market, functioning of stock market and explained various trading terminologies. They were also shown the actual screens on which trading takes place. In addition, the students explored NSE in detail along with its various divisions. The assistant manager at NSE explained how companies get enlisted in NSE.

The session created awareness on various perspectives of Investment in the capital market and also cleared their prejudices regarding investment in share market. The students had a learning experience which provided an insight of the real working environment of the stock exchange. The session enhanced their knowledge of stock markets and derivatives.

A Q/A session was also arranged for students to solve their doubts. This visit turned out to be quite inspiring for all the students, as they got a practical idea of trading in stock market and learnt few common terminologies being used by market participants.
