

WCP2023 Bursary Application

WCP2023 <WCP2023@bps.ac.uk>

Tue 4/11/2023 7:16 PM

To: Dr RohitG <rohitgoyal@shooliniuniversity.com>

Dear Dr Rohit Goyal

We are pleased to inform you of the successful outcome of your application for a WCP2023 Early Career Travel Bursary to support your attendance at the 19th World Congress of Basic & Clinical Pharmacology.

The upper limit of your award is £555 and the amount to be reimbursed will be the total eligible receipted costs or the upper limit of the award, whichever is the lower. The award is non-transferable, may only be used to cover the cost of early-bird registration, travel and accommodation, and is subject to the [Expenses Policy and Procedures](#).

Please refer to the Expenses Policy and Procedures for guidance on travel and accommodation. You must seek approval in advance before incurring expenses that exceed the guidance amounts or are not covered in the policy. Failure to do so may result in a delay in the reimbursement of expenses or you becoming personally liable for these costs.

Claims will need to be sent to WCP2023@bps.ac.uk (strictly within 4 weeks of closure of the meeting) on the [bursary claim form](#), together with a copy of this email and receipts.

Kind regards

WCP2023 Events Team
