Subject: Healing Himalayas

Dear Sir & Ma'am,

As a responsible institution, Shoolini University has always initiated and has pro-actively contributed towards a better environment. With much remembrance to the zeal and enthusiasm expressed by students of Shoolini University last year for Healing Himalayas campaign, this year I would like to invite students from your esteemed institution to participate in the Potter Hill Cleaning drive to be conducted on 17th March 2020 (11am to 1pm, Near Summerhill, Shimla).

I believe, that the institution understands, that these initiatives not only fulfil core value of cleanliness but also sensitises the youth involved in these campaigns, who imbibe such experiences and eventually contribute for the cause at all points of life.

I am hopeful that these participations will go a long way.

I hope to hear from you soon

Please find the attachment for the half yearly calendar 2020

Warm regards,

Pradeep Sangwan
