Club Mela Report 2022

Saksham Club participated in the Club Mela which was held on 20th September. Around 10 students participated in that event. The stalls were put up by the volunteers of the Club. The event was held at the Basketball Court. The main idea behind putting up the stalls was to add more students to the club. The students who participated in the club mela choreographed their dance by themselves only. We showed the different forms of dance. The students from Rajasthan performed their folk dance. Some other states also performed in the club mela like Bhangra, Bihu, Western etc. The practice was held at open air theatre in the university. The event was supported by DSW Mrs. Poonam Nanda. It was a successful event as a lot of students were keen to register for the club. Around 100+ students registered for the club.
