## **Orientation Program**

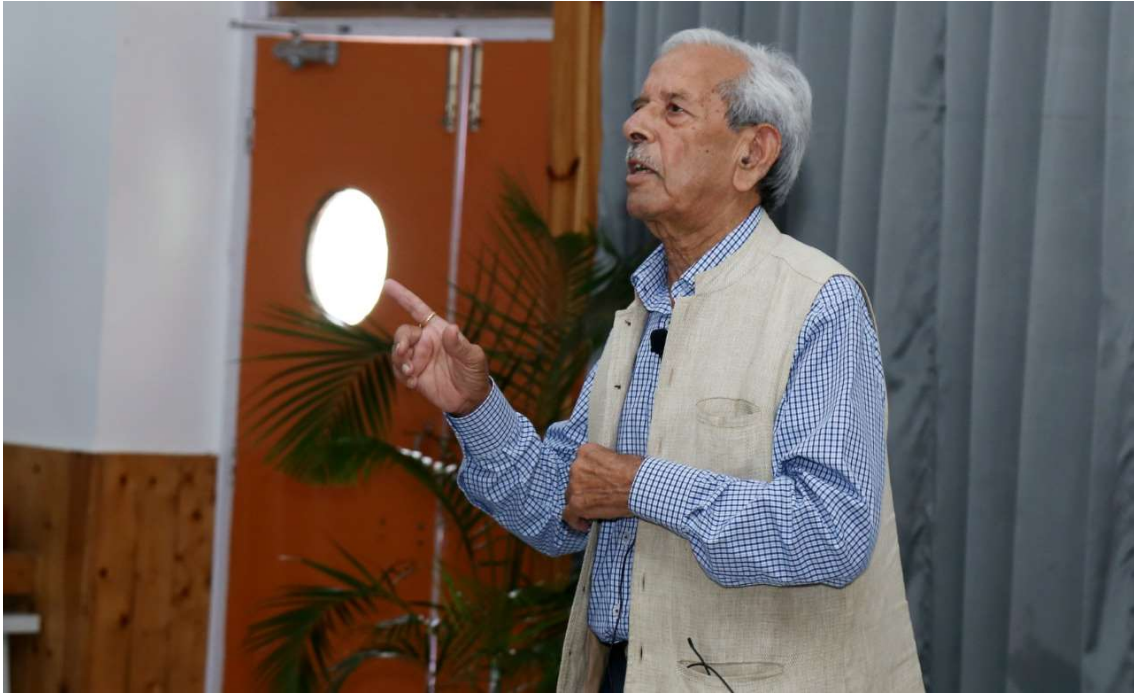

The orientation program for the existing students was held on August 02, 2022, at APJ Hall. The Vice Chancellor and the Chancellor welcomed the students and appraised them of the progress of the university and the national and international rankings. Vice Chancellor Prof. Atul Khosla told the students that in today's world there is no room for mediocrity, and one must strive for excellence. Sessions on New course subjects, choosing minor courses, examination, Career Development and Coaching were also held. Students were encouraged to ask questions to resolve their queries. The entire event was conducted and moderated by the office of DSW. In the afternoon students went to their respective departments to interact with their deans and faculty.

**Number of students participated: - 312**
