Cultural for Inspection Team

An engaging and entertaining evening was organised for the Inspection committee of HPPERC on December 05, 2022, at the Open-Air Theatre. The event was attended by members of the committee the management, faculty, and students. A hard hitting Nukkad Natak with message of violence against women, stigma around HIV was staged. A beautiful yoga display was done by students from School of Ancient Wisdom and Yogic Sciences. Some semi classical dances and some soulful music performances were also a part of the show that was showcased to the audience. The entire effort of the students and the team of DSW who had put it together was appreciated by the visiting team.

Total number of participants: - 300
