TICC Cultural Evening

A Cultural fest for the students of the V-Empower Coaching Programme was held on the Shoolini University campus. The event was inaugurated by university founder Mr. Ashish Khosla and Mrs. Ashoo Khosla. V-Empower Coaching is a unique and path-breaking initiative, first of its kind in India, that is being run at a global scale to bring coaching to the higher education sector. The event was organised to celebrate the closing ceremony of the first coaching batch 100 Coaches which had around 300 students attendes to encourage them further and to create awareness about this coaching programme among the larger number of students. Total 33 students participated in the different activities.
