‘LIFE SKILLS SESSION’

A Life skills session on Sustainable Life Style was conducted by Pradeep Sangwan on 14th March 2019. He founded his NGO Healing Himalayas in 2016 and his volunteers trek to collect trash and help the Himalayas to heal. He said that his team has helped in clearing 4,00,000 kgs of garbage in 4 years. He explained that Tourism is becoming a bane for the Himalayas as people who come from big cities have little concern for our eco system. He quoted the example of the shepherds who adopt a sustainable way of life and never do anything that will endanger their beloved Himalayas whom they consider as their homes. He encouraged the students to live a simple life and avoid creating trash and garbage. His emphasis was on collect, reuse, recycle and restore. It was truly an inspirational talk for the students who felt that they need to follow his footsteps and educate others as well.
