

August 26, 2022**IAMD Visit by Shoolini Volunteers**

Volunteers from campus visited Manav Mandir on August 26, 2022, to spend some quality time with the patients of muscular dystrophy and their families. The event started with the anchors giving an introduction about the university and the objective of being there. This was followed by an enthralling program of poetry songs and dances. A variety of games were also organised for the children. The entire event was much appreciated by everyone as it broke the monotony of the routine of the patients as well as their families.
