

September 27, 2022**Visit to Manav Mandir**

To celebrate the auspicious days of Navratri twenty-five volunteers visited MM on September 27, 2022. The students were welcomed with tea and snacks. The patients visiting Manav Mandir for treatment were mostly children with their families. The volunteers put up an excellent show of songs, dances, and riddles while Diya and Tushar anchored the evening. The highlight was the Garba which the volunteers had prepared specially for this meeting. A round of musical chairs played in a different way to involve the children was a big hit.

Total number of participants: - 25
