

November 10, 2022**Visit to IAMD**

On November 10, 2022, the volunteers from Shoolini University spent the evening at Manav mandir will children suffering of Muscular Dystrophy and their families. The small children were kept entertained with song and dance performances by the volunteers. The highlight of the evening was Tombola Games which were played for the first time. The volunteers helped the children, and it was an activity that was greatly enjoyed and appreciated by everyone. Mr Vipul Goel thanked the volunteers for their regular visits which help a great deal in lifting the morale of the children.

Total number of students participated: - 24
