

November 22, 2022**Guest Talk- DATRI**

Datri and Shoolini University have been in collaboration for several years DATRI is a not-for-profit organization registered in 2009 as a Section 8 company act under Government of India. DATRI is one of the largest unrelated blood stem cell donors' registries in India, that helps patients with blood cancer and other fatal blood disorders to find a HLA matched Blood Stem Cell donor. The event for awareness and donation was organised on November 22, 2022, at Ratan Tata Hall.

Dr. Anuradha who represented DATRI spoke to the students about stem cell donation. She encouraged students by saying that it's a donation that saves a life and is simple to do. In the initial stage only, a swab is taken from the mouth and frozen after its details are noted. After her talk many students stayed back to give the swab samples.

Total number of students participated: - 160
