Dental Health Check-up Camp

A dental health check-up camp was organized on May 06, 2022. The camp was organized by Shoolini University in collaboration with the Dental College Tatool. The camp was organized at Milkha Singh Sports Complex, Shoolini University. The registrations were done well in advance for dental check-up. The camp started at 10am after all the machine setup was done by the Doctor of Dental College Solan. All the patients that had come for their treatment got their teeth checked and all the problems diagnosed. Some of the patients went through the cleaning and treatment of their teeth with the help of new tech dental treatment machines. A total of 121 people got their dental treatment done.

Number of students participated: - 91
