

August 14, 2021**Cleaning Drive at Shimla**

Shoolini University in collaboration with “Healing Himalayas” organized a cleaning drive at Shimla on August 14, 2021. The response to this initiative was huge but due to covid restrictions, only around 30 students could go for it. Healing Himalayas provided bags and gloves to the volunteers and the area from Lift to Mall Road Shimla was cleaned up. This drive was also supported by the pollution board, Shimla. Arrangements for snacks and lunch were also made for the volunteers. The day was well spent, and the energy levels of the volunteers were high. Mr. Pradeep Sangwan, Founder of Healing Himalayas greatly appreciated the effort by the volunteers.

Number of students participated: - 33

Volunteers Nitin Dadhwal & Rushikesh Nawale collecting the garbage Near Shimla Mall
