On March 28, 2022, a trip to Manav Mandir Solan was organized. Eighteen volunteers participated in this event. Manav Mandir Solan is working as Muscular Dystrophy Centre where not only therapies related to muscular dystrophy provided but also a family like atmosphere is created so that muscular dystrophy warriors do not feel left out in the society. The muscular dystrophy warriors had come to IAMD Centre with their guardians for a weeklong residential and therapeutical program in proper supervision of doctors. The evening started with Mr. Vipul Goyal sharing his life journey of fighting muscular dystrophy and establishing the IAMD Centre, Jatoli Solan. After this cultural evening started with the songs, comedy, and dance performances by Shoolini volunteers. The volunteers had prepared various songs and dances for the children who had come for their physiotherapy to the Centre.
