

April 20, 2022**Blood Donation Camp in University Campus**

A blood donation camp was organized in Shoolini University. The camp was organized in collaboration with IGMC Shimla. The venue was Milkha Singh Sports Complex at Shoolini University. The blood donors had registered themselves well in advance an evening before of the camp. The camp started with the arrival of team of doctors from IGMC Shimla. Blood donors had their general health check-up before their blood donation to make sure about their health. The camp was a huge success as the students flowed in to contribute to this noble cause. The blood donors were given refreshments immediately after the blood donation to help them recoup. A selfie stand with the theme of blood donation was also kept at Milkha Singh Sports Complex which blood donors visited proudly to get their picture clicked. The blood donors were also given certificates for their voluntary participation.

Number of students participated: - 108
