

**October 02, 2021****Tree plantation and Cleaning Drive**

On the eve of Gandhi Jayanti, volunteers of Shoolini University went to the nearby villages for tree plantation. In this drive, the volunteers of NSS & SFY Club of Shoolini University volunteered for the activity. Students planted the plants with herbal and medicinal use. Mr. Suresh the head of landscaping department of the university explained about the properties and benefits of these plants. After this, the geo-tagging of these plants was done. The students participated with full enthusiasm. Along with the plantation drive volunteers also cleaned nearby areas and collected quintals of plastic. A total of 30 student volunteers participated in this activity.

**Number of students participated: - 30**

Poster created for the event

**NSS volunteers planting the saplings near university campus**

**SFY volunteers doing tree plantation**

**Volunteers posing for a photograph with the garbage collected by them**
