

November 14 & 15**Painting of Primary School on Children's Day**

On this Children's Day, volunteers from Shoolini University went to Manjholi Primary School which is located near Shoolini University. Students of Shoolini University volunteered to paint the walls of the school building. They did some beautiful artwork on the walls. Volunteers also painted some useful lessons and material that can help school students in enhancing their overall knowledge. When school students saw the painted walls, they were very happy. On next day, volunteers went to School and did some fun activities and games with the students of Manjholi School. Students were very excited for this event and participated with great enthusiasm. Students were given gifts and prizes for their participation.

Number of students participated: - 27**Volunteers making painting of cartoon characters on the wall**
