

**May 22, 2022****Tree Plantation Drive**

A tree plantation and pine needle cleaning drive were conducted by Shoolini University in collaboration with HDFC Bank Solan. On this day NCC Shoolini and NSS Shoolini volunteered for the event. On this day, the volunteers gathered at Yogananda Ville at 7AM in the morning. A brief regarding the guidelines of the activities was given by Mr. Vipul Tomar. After this the volunteers went towards the Medicity area and planted 100 saplings of the herbal plants. As the plantation drive completed, the volunteers proceeded for pine needles cleaning in two teams. NCC and NSS volunteers went in two different directions for pine needle cleaning. The idea was to clean all the pine needles on the boundary of university area. Generally, the forest fires take place because of the quick inflammable property of pine needles. Therefore, pine needle cleaning helps in breaking the chain of forest fires. The volunteers created a broad clean boundary by removing pine needles. After this volunteer were given refreshments which were sponsored by HDFC Solan.

**Number of students participated: - 72**
