Bicycle ride on World Bicycle Day

World Bicycle Day draws attention to the benefits of using the bicycle - a simple, affordable, clean, and environmentally fit sustainable means of transportation. On 3rd of June 2022 on World Bicycle Day the Shoolini Peddals Cycling Club organized a 30kms ride starting from Solan to Shoolini University via Solan Kumarhatti road. The ride started with flag off by Mr. Vishal Anand at SILB Institute, Solan. The ride was organized to encourage public to use bicycle more often and whenever possible to meet environment sustainable development goals. The participants were appreciated and given certificates by Vice Chancellor Atul Khosla.

Number of students participated: - 08
