

**March 23, 2022****Nukkad Natak by students of St Lukes**

An extremely informative event was held to aware the students against wastage of water by the students of St Luke's. Nukkad Natak on the topic of 'Save the water' was played in Shoolini University. A very relevant issue our society facing these days specially the depletion of ground water, throwing of waste in the water bodies of Himalyan region. Messages from similar age groups affect more compared to the guidelines given by the seminars and conferences. Ankur Saxena 'Bashar' guided the students with the act. The chancellor motivated and encouraged the students and urged that they continue coming to the university with such powerful act. He also said that - We at Shoolini stand with the cause and being an educational institute understand our duty to instill good values and spread awareness against such concern which will surely be a disaster if not controlled in near times. The students were given refreshments and a campus tour by the volunteers in the university.

**No. of students participated – 45****Nukkad Natak being performed by St. Lukes School students**

**The participants singing a song made for environmental conservation**

**A photograph of Nukkad Natak outside Registrar's office**
