

October 23, 2021**Fashion Show on Cancer Awareness**

Every year Shoolini University hosts a multitude of events to promote awareness of breast cancer. This year a special fashion show was organized by the students to promote the cause. Boys and Girls dressed in pink holding placards walked the ramp and received thunderous applause. The event started with lamp lighting and a formal address by Chancellor PK Khosla. The show continued with the ramp walk of 22 participants along with placards by them. The placards were made with some awareness messages for breast cancer written on them. The audience applauded the great moments of the show. After this, Mrs. Poonam Nanda and Mr. Arvind also did a ramp walk with volunteers Saket and Abhishek holding the placards with some message for breast cancer written on them. The Open-Air Theater was packed with more than 300 students who greatly enjoyed the event.

Number of students participated: -320**Students performing the ramp walk**
