Bapu has won the hearts of every citizen of India with his kind heart, strong determination and inspiring thoughts. Among his many ideas, I support the idea of 'Bura Na Dekho-Bura Na Suno-Bura Na Bolo.' In today's life, it is very easy to offend someone with your sharp tongue, easily harm people who trust you and see these things happening in front of you silently without taking any action. Seven decades ago, Gandhiji tried to explain us that seeing-hearing-doing evil things do not do good to anyone. That makes a man bad. We all should have the guts to protest when something evil happens because no one should tolerate any evil incident occurring in front of us. That makes a man equally blameful. If a weak man cannot stand the crime happening to him, other must use their power to help him. That makes a man Hero!
