### **Social Activity at Manav Mandir**

On August 19, 2019, students from Shoolini University visited Indian Association of Muscular Dystrophy (IAMD) Hospital, Jatoli for a social activity. This activity was done by 22 students and 3 teachers from Shoolini University. In this activity, students did some fun & games with muscular dystrophy patients of IAMD hospital. Also, they distributed some fruits and food among them. The children suffering from muscular dystrophy enjoyed this social engagement very much.

**Total number of participants: - 25**
