Collection of Clothes

A social activity was held with the theme of cloths collection for those in need. It was a week-long activity, and the cloths collection was finally done on August 19, 2019. In this activity, a total of 600 students and 80 teachers participated. The students and teachers collected clothes in the neighborhood of their residences. The quintals of cloths were collected during this activity which were later sent to Goonj Foundation (Goonj Foundation works for social welfare by distributing cloths/ recycled cloths among those in need)

Total participants: - 680

Number of students participated: - 600
