Financial support to Underprivileged Students

Purkal Youth Society and Shoolini University collaborated to ensure that bright students coming from disadvantaged backgrounds do not miss out on quality education because of financial constraints. The association between Purkal and Shoolini University has been extremely successful where to 13 students with 100% academic fee scholarship and 1 student with 50% academic fee scholarship has been given this year. These students admitted to the Shoolini University are doing very well in their academics.

Number of students benefitted: - 14
