Labor Day-Medical Camp in campus with Helpage India

On Labor Day, a medical camp was organized not only for the labor and staff of the campus but also for all faculty members. A team of doctors organized and supported by Helpage India came to the University campus along with their van which was fitted with basic medical facilities. Several faculty members and all the members of the staff got themselves checked up at this camp. Some basic medicines and vitamins tablets were also provided free of cost to the support staff.

Number of students participated: - 28

Medical camp being run at Milkha Singh Sports Complex
