Support towards the cause of Muscular Dystrophy

Students of Shoolini University are constant source of inspiration and encouragement to patients of muscular dystrophy to patients who come from all over the India to Manav Mandir which is in Jatoli, Solan. Our students are the reason for adding lot of happiness and cheer in the lives of these people afflicted with muscular dystrophy. The work done by the volunteers on the regular basis is greatly appreciated by the founders of IAMD Centre Sanjana Goyal and Vipul Goyal. Our volunteers continue to go there and encourage not only the patients but also their families to face life and to continue with physiotherapy and all the prescribed exercises and the diet control that is advised by the Association of Muscular Dystrophy so that the rest of years of their life can be spent in a fruitful and gainful manner.

Number of students participated: - 100

Dear Dr. Khosla,

Date :07.02.2019

On behalf of Indian Association Of Muscular Dystrophy I would like to take this opportunity to thank Mrs. Nanda and the students of Shoolini University for their consistent support towards the cause of Muscular Dystrophy.

Your students have dedicated their time willingly towards adding moments of happiness for our children afflicted with Muscular Dystrophy by spending quality time with them and their parents, at Integrated Muscular Dystrophy Rehabilitation Centre, Solan.

We thank you for your support and hope to make this bond even stronger in the future.

Sincerely,

Indian Association of Muscular Dystrophy
