**YOGANANDA KNOWLEDGE
CENTER LIBRARY**

Professors from degree college solan visited Shoolini University & Library on February 28, 2023

Professors from Govt degree colleges solan along with the outreach team visited the Yogananda Knowledge Centre Library. They loved the library and the library's collection of books. They also liked the facilities and services of the library and the collection of books for competitive exams for students. And they said that the library of Shoolini University is such a beautiful place where students can study and prepare for their exams comfortably.
