

MOU SIGNING CEREMONY

Between

Shoolini University

And

WICCI National Coaching Council

Shoolini University founded by leading academicians and professionals, is a young, research-focussed, philanthropic university. Established in 2009, this dynamic and innovation-led centre of learning has made giant strides. It has consistently been ranked among India's top 100 universities (NIRF), is one of India's highest generators of patents and innovation, and matches the world's best universities in research output.

A not-for-profit multi-disciplinary private university, Shoolini has a unique research and innovation-led model. We believe that a great university drives cutting-edge knowledge and innovation while working for the social and economic upliftment of the community at the same time. It is this belief – along with our internationally qualified faculty, our focus on careers and placements for students, our continuous innovation in pedagogy and our highly motivated students – that makes Shoolini University a progressive and dynamic university in the global knowledge economy.

We pride ourselves in laying emphasis on the development of the creative potential of every student, providing them high-quality educational opportunities, which in turn will determine the future of our country and take India to greatness.

The Women's Indian Chamber of Commerce and Industry (WICCI) has been formed with a view to robustly encourage and empower women in business, industry and commerce across all sectors, across India and Internationally.

WICCI's National Coaching Council under the leadership of Anjali Raghuvanshi as President and Usha Raghunath as Vice President, with its council of members, along with the State Coaching Councils seeks to make coaching accessible to all on the premise that coaching is a key enabler in enhancing the journey to professional and personal growth for the students of India (among others) while also helping them contribute to the economic growth of India.

WICCI's National Coaching Council strives to achieve excellence through partnerships with industry, other business and industry councils and academic institutions worldwide.

Value Proposition:

Coaching is a life affirming and enhancing process which can help people tap into their inner strength and resources in periods of change, transition, uncertainty and helps them make decisions and take actions, which enhances their personal, professional, business, economic or life situations.

Ease of access is a key differentiator and we seek to help coaches and students find each other easily and ensure expert, confidential compassionate coaching for our student clients.

Objective

The objective of this MoU is to

1. Work with Shoolini University to enable access to ICF credentialed coaches for their students, across their campus and academic programs.
2. Organise and participate in projects, conferences, seminars and other initiatives [either] which show case the access to, relevance and importance of coaching as an enabler of personal and professional development.
3. Ensure visibility of this opportunity and collaboration amongst students and potential students, faculty and other important stakeholders of Shoolini University and its affiliated organisations and coaches affiliated to the WICCI National and State Coaching Council and its affiliated organisations, across India and globally. This can be through targeted and collaborative marketing communication, social networks and print and other media.

The Program Structure

Both partners will collaborate to deliver

1. Coaching related services to the students and faculty of Shoolini University and any other clients or client groups identified by Shoolini University.
2. A coaching experience initiative for the faculty of Shoolini University and any other faculty identified by Shoolini University.
3. Programs, seminars and conferences to build awareness, appreciation and understanding of coaching and the various facets of coaching for relevant stakeholders.
4. Offer a joint certificate to all participants of any of the above programs and initiatives, subject to the norms for certification developed by Shoolini University and WICCI National Coaching Council jointly.

Number of Students and Programs

1. This initiative would endeavour to coach 50 clients in Shoolini Campus every year.
2. Clients will be selected based on norms developed by Shoolini University.

Financial Arrangements

1. Shoolini University will budget for or raise sponsorships and bear the expenses of the above proposed activities, led by Shoolini and manage the administration of the

finances and projects. WICCI's National Coaching Council will not be part of the financial management of the projects and services.

2. Coach services are on a Pro/low-bono basis [gift of plant] and the coaches accept the same.
3. That apart from the above two mentioned clauses, there would be no financial bidding between the parties of any sort.

Renewal, Termination and Amendment

1. This agreement shall remain in effect for two years from the date of signature and will be subject to joint analysis at the end of the period.
2. That any terminations or alterations will be made without prejudice to any participants in the program and both parties must be contacted prior to taking action.
3. That, in the event of a disagreement, it will be resolved amicably.

All ensuing documents shall be signed by two office bearers of the WICCI National Coaching Council mentioned in this document and of Shoolini University as mentioned in this document.
