If a Course or Specialization becomes unavailable prior to the end of the Term, Coursera may replace such Course or Specialization with a reasonable alternative Course or Specialization. The Courses and Specializations offered in the Coursera for Campus catalogue are determined by such factors as availability, pricing, and/or other restrictions. c. Organization will collaborate with Coursera to jointly market and promote the relationship contemplated by this Order Form as well as the value of Coursera services to Organization. Coursera may, in accordance with Organization's branding guidelines, use Organization's name and logo(s) to list Organization as a customer and create mutually acceptable case studies highlighting the relationship of the Parties. Coursera may identify Organization and provide the number of participating Organization Users to the creators and instructors of Courses and/or Specializations ("**Course Creators**") accessed by Organization's Users. Organization may, in accordance with Coursera's branding guidelines (found here <https://about.coursera.org/brand-guide>), use Coursera's name and logo(s) to promote this Order Form to their Users and on Organization's campus, provided that Coursera reserves the right to withdraw such permission in Coursera's sole discretion and request removal of Coursera's branding features (including any and all logos) immediately upon request and in no case later than two (2) business days. In addition, the Parties may, subject to mutual agreement as to the specific content, issue joint publicity materials, including, but not limited to, press releases. Other than as set forth herein, neither Party will, without the prior written approval of the other Party, issue any public statements or promotional materials disclosing the existence of this Order Form or the performance of Services hereunder. Without limitation of the foregoing, Organization shall not engage in any misleading communications that might state or imply that any Course Creators endorse, support, or have partnered with Organization. Organization shall provide conspicuous notice to Users that completion of Courses or Specializations does not provide Users with academic credit from the Course Creators. Organization shall not use any logos or other branding elements of a Course Creator, provided that Organization may make factual statements about the availability of Courses and Specializations using plain text.

d. The Parties will cooperate to ensure each User's compliance with Coursera's user policies. Specializations in any manner that is fraudulent, deceptive, threatening, harassing, defamatory, unlawful, illegal, obscene, or otherwise objectionable in Coursera's reasonable discretion; (v) "crawl," "scrape," "spider," or otherwise copy or store any portion of the Platform, Courses, or Specializations for any purpose not contemplated under this Order Form (e.g., in order to mimic the functionality and/or output of the Platform, Courses, or Specializations, in whole or in part); (vi) disassemble, reverse engineer, decompile, or otherwise attempt to obtain the source code or underlying logic of any portion of the Platform, Courses, or Specializations; (vii) use the Platform, Courses, or Specializations as part of any machine learning or similar algorithmic activity; or (viii) publish or distribute the Platform, Courses, or Specializations, or materials derived from the Platform, Courses, or Specializations, to third parties.

2. **Intellectual Property.** Coursera retains all rights, titles, and interests in and to the Platform, Courses, and Specializations and improvements thereto, together with any tools, materials, specifications, guidelines, and instructions provided by Coursera to Organization, as well as all intellectual property rights, including all copyrights, trademarks, patents, rights in databases, goodwill, trade secrets, and moral rights. If a Party is required to pay any taxes for which the other Party is responsible, then the taxes will be billed to and paid by such other Party. For the avoidance of doubt, only withholding tax obligations of Organization required by a valid applicable regulation, if any, may be deducted from the amount payable to Coursera by Organization. If Organization is claiming tax exempt status, Organization shall provide sufficient evidence of tax exemption status from applicable state and federal tax.

5. **Term.** The term of this Order Form shall commence on the Effective Date and shall continue in full force and effect for the agreed upon period from the Launch Date, unless terminated in accordance with Section 6 (Termination) (the "**Term**"). Upon expiration of the Term, access to the Platform will no longer be made available by Coursera under this Order Form (including paid access to uncompleted Courses).

6. Termination.

a. **Termination for Breach.** Either Party may suspend performance or terminate this Order Form if: (i) the other Party is in material breach of the Order Form and fails to cure such breach within thirty (30) days after receipt of written notice; or (ii) the other Party ceases its business operations or becomes subject to insolvency proceedings and the proceedings are not dismissed within ninety (90) days.

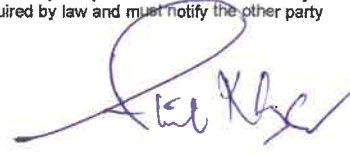

b. **Effects of Expiration or Termination.** Upon expiration or termination of this Order Form for any reason: (i) all rights granted and obligations incurred by one Party to the other that are intended to cease upon expiration or termination will cease immediately; (ii) upon request each Party will promptly return or destroy all Confidential Information of the other Party; and (iii) all Services shall immediately cease.

7. Confidential Information.

a. **Obligations.** Each Party will: (i) protect the other Party's Confidential Information with the same standard of care it uses to protect its own Confidential Information; and (ii) not disclose the Confidential Information, except to affiliates, employees, and agents who need to know it and who have agreed in writing to keep it confidential and who are trained and reliable. Each Party (and any affiliates, employees, and agents to whom it has disclosed Confidential Information) may use Confidential Information only to exercise rights and fulfill obligations under this Order Form, while using reasonable care to protect it. Each Party is responsible for any actions of its affiliates, employees, and agents in violation of this section. "**Confidential Information**" means information disclosed by a Party to the other Party under this Order Form that is marked as confidential or would normally be considered confidential under the circumstances.

b. **Exceptions.** Confidential Information does not include information that: (i) the recipient of the Confidential Information already knew; (ii) becomes public through no fault of the recipient; (iii) was independently developed by the recipient; or (iv) was rightfully given to the recipient by another Party.

c. **Required Disclosure.** Each Party may disclose the other Party's Confidential Information when required by law and must notify the other party of such disclosure.

8. Representations and Disclaimers.

a. Representations. Each Party represents that: (i) it has full power and authority to enter into the Order Form; and (ii) it will comply with all laws and regulations applicable to its performance of its obligations under this Order Form. Notwithstanding any other provision of this Order Form, neither Party shall take any action or omit to take any action under this Order Form or in connection with its business that would cause it to be in violation, in any applicable jurisdiction, of: (i) anticorruption laws and regulations, including but not limited to the Foreign Corrupt Practices Act (U.S.) and The Bribery Act 2010 (U.K.); or (ii) anti-money laundering laws or regulations. Organization represents that it is in compliance with the various economic sanctions programs administered by the U.S. Department of Treasury's Office of Foreign Assets Control and that Organization is not currently listed on any Excluded or Denied Party List maintained by any U.S. Government agency.

b. Non-Academic and Academic Credit Use. Courses under this Order Form shall be used for Organization's standard learning and development training purposes. Such courses are to be used as supplemental materials to in-person instruction. If Organization chooses to assign credit for such content, Organization is solely responsible for ensuring adequate pathways towards degree completion based on content availability. Organization acknowledges that: 1) Coursera and the Course Creators do not represent or warrant that the content meets any accreditation or regulated learning time standards; 2) Coursera and the Course Creators will not be responsible to update Organization on any substantive changes or availability of content; and 3) Coursera and the Course Creators do not guarantee the availability of the content. Both parties shall comply fully with the requirements for the handling of student information and protection of student privacy as set forth in the Family Education Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g; 34 CFR Part 99. Pursuant thereto, the parties will not disclose or use any student information, except as necessary to carry out their obligations under this Order Form and as permitted by FERPA.

c. Disclaimers. EXCEPT AS EXPRESSLY PROVIDED FOR HEREIN, NEITHER PARTY MAKES ANY OTHER WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE, AND NONINFRINGEMENT. COURSERA PROVIDES ITS PRODUCTS AND SERVICES "AS IS" AND DOES NOT WARRANT THAT THE OPERATION OF ITS PRODUCTS AND SERVICES WILL BE ERROR-FREE OR UNINTERRUPTED. COURSERA MAKES NO REPRESENTATIONS ABOUT ANY CONTENT OR INFORMATION MADE ACCESSIBLE BY OR THROUGH ITS PRODUCTS AND SERVICES.

9. Indemnification.

a. By Organization. Organization will indemnify, defend, and hold harmless Coursera from and against all liabilities, damages, and costs (including settlement costs and reasonable attorneys' fees) arising out of a third party claim: (i) that any Organization brand features or other content used in accordance with this Order Form infringe or misappropriate any intellectual property rights of a third party; or (ii) involving actions by Users and other individuals associated with Organization (e.g., harassment on forums, plagiarism).

b. By Coursera. Coursera will indemnify, defend, and hold harmless Organization from and against all liabilities, damages, and costs (including settlement costs and reasonable attorneys' fees) arising out of a third party claim that Coursera's technology used to provide the Platform or any Coursera brand features used in accordance with this Order Form infringe or misappropriate any intellectual property rights of such third party.
