This **MEMORANDUM OF UNDERSTANDING** (MOU) is made on this 27th day of October, 2021 at Ludhiana by and between

Vardhman Textiles Ltd., a company incorporated under the laws of India and having its registered office at Vardhman Premises, Chandigarh Road, Ludhiana, Punjab - 141010, represented by its Director & Chairman of CSR Committee of Board Mr. Prafull Anubhai (hereinafter referred to as '**Vardhman**' which expression unless excluded by or repugnant to the context shall be deemed to mean and include its Manufacturing Units, heirs, executors, administrators, successors, legal representatives and/or permitted assigns).

And

FOUNDATION FOR LIFE SCIENCES AND BUSINESS MANAGEMENT, (hereinafter referred to as '**FLSBM**' which expression unless excluded by or repugnant to the context shall be deemed to mean and include its executors, administrators, successors, legal representatives and/or permitted assigns) a Non-Profit registered society; having its office at Anand Complex, Near Head Post Office, The Mall, Solan, Himachal Pradesh, through its Founder Member and Secretary Mr. Prem Kumar Khosla.

('Vardhman' and 'FLSBM' shall hereinafter also be referred to as Party individually and collectively as Parties)

Recital Clause

WHEREAS Vardhman is a public limited company and being a responsible Corporate Citizen continues to make a serious endeavour for a quality value addition and constructive contribution in building a healthy and better society through its CSR initiatives.

WHEREAS FLSBM is a Non-Profit Society established in the year 2004 to promote research in life, Physical, Engineering, Management Sciences and related disciplines; to provide quality education, infrastructural support and assist science-based R&D institutes and to setup research and teaching institutes for social-economic upliftment of Humanity.

WHEREAS FLSBM in order to achieve above said objective has established a University in the year 2009 namely "Shoolini University of Biotechnology and Management Sciences", (herein under referred to as "Shoolini University") and is the sponsoring body of the Shoolini University.

WHEREAS Shoolini University is a research-focused, philanthropic not-for-profit multi-disciplinary private university recognized by the University Grants Commission (UGC) that strives to achieve a standing among the top 200 global universities by the year 2022. Since its inception in 2009, the university has been accredited with several recognitions. The university has 11 schools imparting education in 6 faculties viz; Applied Sciences, Biotechnology, Basic Sciences, Management Sciences, Pharmaceutical Sciences, and Engineering & Technology.

WHEREAS Shoolini University has an intake of about 1,800 students every year equally divided amongst males and females. Currently, there are 4,000 students enrolled at the University for various courses, with over 60% pursuing research work. The full-time faculty count is 230, 60% of which are dedicated to incubating research work. The university is ranked 1st in India in Citation Index (QS Ranking 2021), 37th in India among all universities (SCIMAGO Ranking 2021) & 89th rank by NIRF (National Institute Ranking Framework, GOI). Shoolini is 3rd best university in the country for filing patents (690 patents filed to date out of which 30 are granted & about 20% of granted patents are in the field of Nanotechnology).

WHEREAS "Shoolini University" is intensely focused on value-based education and for over a decade has been expanding its activities in the field of nanotechnology. Till now, university is dependent on other premier institutes like IIT Mandi, IIT Ropar, PU-Chandigarh, NIPER Mohali, etc. for study & analysis of its Nano samples which often causes inordinate delay besides lack of accuracy for the analysed information.

WHEREAS Shoolini University, wants to upgrade its existing infrastructure by setting up an In-house "Nanotechnology Lab". The lab will not only provide greater efficiency but also allow students to put their knowledge into practice faster. Therefore, the FLSBM has approached Vardhman to join in its Journey for environmental detoxification, clean energy production and waste utilization by advanced Nano-materials and techniques and for that requested Vardhman to
