Dated 18/5/23

## Notice

To All Concerned Faculty Members,

This is in continuation to creation of IPR cell for establishment of Shoolini Intellectual Property Rights Office (SIPRO) at Shoolini University. This initiative is aimed at fostering a culture of innovation and creativity by providing guidance and support in matters related to intellectual property rights.

SIPRO will serve as a resource office for all members of the Shoolini community, including faculty, staff, and students. The office will aid with patent and trademark applications, copyright and licensing agreements, and other legal issues related to intellectual property.

We believe that SIPRO will play an important role in progressing the research and innovation shots of Shoolini University. We encourage all faculty members to take advantage of the services offered by SIPRO and to seek guidance on intellectual property matters.

The SIPRO team will comprise of experienced professionals who will work closely with Departments/faculty members/ students to ensure that their intellectual property rights are protected. We believe that this office along with the committee will play a crucial role in advancing the research and innovation efforts of Shoolini University. The establishment of SIPRO marks a significant milestone in the history of our university and reaffirms our commitment to promoting innovation and creativity.

- Members of the committee will be nominated by the Vice Chancellor.
- Meetings shall be conducted twice in a year.
- All decisions at the meeting shall be taken by a majority vote of the members present. The chairperson at the meeting shall have a second or casting vote in the case of equality.
- The Quorum for meetings of SIPRO shall be two-third.
- If any nominated member resigns due to any reason, a new member shall be nominated in his place for the remaining period.

## Shoolini Intellectual Property Rights Office (SIPRO)

In the evolving landscape of intellectual property, Shoolini University proudly spearheads the avant-garde initiative known as the Shoolini Intellectual Property Rights Office (SIPRO). Initiated in 2015 as an IPR cell, SIPRO has swiftly ascended, establishing itself as a leading force in intellectual property management within a mere nine-year timeframe. SIPRO came into existence in 2023. In just 9 years, Shoolini University has obtained 128 granted patents, underscoring its dedication to innovation. Currently, 2-3 technologies are in the transfer process, reflecting the university's ongoing commitment to advancing intellectual property.

### ➤ **Mission and Milestones:**

- SIPRO's core mission revolves around the ambitious pursuit of *One Student One patent*. This visionary approach underscores our unwavering commitment to empower students within the intricate realm of intellectual property.
- Astoundingly, Shoolini University, through SIPRO, has meticulously filed an impressive 1474 IP portfolios to date, underscoring our dedication to fostering innovation and safeguarding intellectual assets. Office has also received Award in 2022 from Questal (MNC for providing IP Solutions and services) for Top Patent Filer.

### ➤ **Educational Initiatives:**

- Going beyond conventional boundaries, SIPRO orchestrates specialized seminars, workshops, and an exclusive summer School program tailored for school students. These initiatives serve as crucibles for nurturing the next generation of innovators, setting the stage for a future where intellectual property is revered, understood, and protected.

### ➤ **Operational Excellence:**

- The operational backbone of SIPRO comprises a dynamic team of 10 seasoned professionals, each a specialist in their domain. This team, spearheaded by the Director of SIPRO, has meticulously structured itself to adeptly handle a comprehensive array of intellectual property services.
- Since January 2023, SIPRO has proudly transitioned to in-house processes for all IP-related services, a strategic move towards seamless and comprehensive intellectual property management.

### ➤ **Comprehensive Intellectual Property Services:**

- SIPRO's service scope spans the entire intellectual property spectrum. From adeptly handling the filing of patents, industrial designs, copyrights, and trademarks to

managing prosecution and hearings – each facet of intellectual property management is executed with unparalleled precision and expertise.

- SIPRO ensures that innovators and creators receive steadfast support in securing and defending their intellectual assets.

➤ **Annual IP Workshop/Conference (Since 2017):**

- Audience: Faculty, Researchers, Students, and Industry Professionals.
- Purpose: Sensitizing stakeholders about intellectual property and unveiling new initiatives.
- Significance: Nexus for knowledge exchange and innovation exploration.

➤ **National Recognition (2018-2020, Top 3; 2021-2024, Top 10):**

- Notable Achievement: SIPRO ranked among India's top patent filers.
- Government Acknowledgment: Ranking released by the Government of India.
- Implication: Recognition for sustained efforts and innovation in intellectual property.

➤ **Organizational Structure:**

- The hierarchical architecture of SIPRO is a testament to our commitment to excellence. Comprising a Director, Assistant Director, Senior Manager, Patent Agent, two Assistant Professors, a Legal Analyst, five Patent Analysts, and an IP Trainee, this amalgamation of expertise ensures a holistic and strategic approach to intellectual property management.

In essence, SIPRO stands as a beacon of innovation and protection, propelling Shoolini University to unprecedented heights in the intellectual property landscape. With an unwavering commitment to fostering creativity, awareness, and protection, SIPRO transcends being merely an office; it is a catalyst for the intellectual evolution of tomorrow's leaders.
