Letter Of Appreciation

Date: 22 February 2023

To,

Prof. Atul Khosla
Vice Chancellor
Shoolini University

I am writing to express my heartfelt appreciation for the outstanding work you and your team at Shoolini University have done in the field of education. As the Vice Chancellor, you have spearheaded the university towards a path of excellence and success.

I am particularly impressed by the initiatives taken by Shoolini University on World Cancer Day 2023. Thank you very much for organizing the YouWeCan Cricket Tournament at Shoolini University, which saw nine teams participation, and the awareness sessions that were conducted for staff and students. It was heartwarming to see the student volunteers visit cancer wards and distribute gifts to the patients. Such actions help in creating awareness and bring about positive change in the society.

Shoolini University's commitment towards social responsibility and community engagement is admirable and truly inspiring. Your leadership and guidance have played a pivotal role in shaping the university into an institution that not only excels in academics but also in giving back to society.

Once again, I extend my sincere appreciation for the work that you and your team have done. It is a pleasure to be associated with an institution that holds such high values and sets a benchmark for others to follow.

Thank you and best regards.

Sincerely
