Sub: Letter of Appreciation

Dear Sir,

I am writing to you to thank you and the students of Shoolini University for the tremendous work done by them for spreading cancer awareness. Although many activities have been done through the year, I would like to specially commend and acknowledge you the work done in the month of October- Breast Cancer Awareness Month under your initiative 'Pink October'.

This dedication and enthusiasm is rarely found on any other campus. This is one of the main reasons that Mr. Yuvraj Singh visited your campus and personally interacted with the students.

We look forward to many more years of a close association with your campus.

Warm regards,

Ms. Shabnam Singh
